Patient Name: PRIYA

Email: priya@example.com

Report Date: 7/28/2026

Profile Status: Active Clinical Profile

Diagnostic Scan Records

RECORD #101

Koilonychia (Spoon Nails)

91.4%

AI Confidence

Location: Finger 1 (Thumb) | Date: 7/27/2026

Condition Summary: Soft nails that look scooped out, forming a concave shape. Common sign of iron deficiency

Recommendation: Blood test for iron levels recommended. Increase iron-rich foods.

RECORD #102

Healthy Nails

96.8%

AI Confidence

Location: Finger 3 (Middle) | Date: 7/25/2026

Condition Summary: Smooth, healthy nail texture with uniform pink bed color.

Recommendation: Maintain good daily nail hygiene and cuticle care.
